RESPONSE TO NOTICE OF NON-COMPLIANT AMENDMENT (37 C.F.R. § 1.121)

Sir:

This paper is responsive to the Non-Compliant Amendment (37 C.F.R. § 1.121) Office Action mailed from the U.S. Patent and Trademark Office April 8 2008, which is being filed on or before August 8 2008 and for which three months' extension fees are due and are enclosed herewith, along with a petition for an extension of time.

The amendment to the claims filed on March 10 2008 in response to the non-final office action mailed September 10 2007 is re-submitted herewith in response to the non-compliant amendments made. The non-compliant amendment to the claims was due to missing status identifiers and a correction to the list of claims amendments. The corrected amendment to the claims is presented herewith. The remarks and arguments filed on March 10 2008 accompanying the amended claims are maintained but are not presented herewith.
